MIXER GRINDER

The wide range of Mixer Grinders from Shri Tulsinath Industries Electric works like a dream for both cooking experts and those who are new at it. Equipped with an advanced motor, that is powerful yet durable, they're great for everyday use and make great gifts as well

A top-down view of several wooden spoons and a pile of spices on a dark, textured surface. The spoons contain green peppercorns, red chili powder, brown ground spices, and pink Himalayan salt. There are also whole spices like cardamom pods and a small pile of yellow turmeric powder. A green leaf is visible at the top center.

Kitchen Appliances

All world's kitchen has its own set of traditions and needs, That's why at Shri Tulsinath Industries, we build our appliances to adopt and blend into your world and craft them using only the finest quality parts and state of the art engineering. We understand that small things like designing our chopper to cut the most commonly used vegetables in our kitchen, or a longer chord on a mixer-grinder, go a long way in making our customers' lives better'. Whether it's a home-maker, working women, or a young bachelor, our appliances are designed to make lives simpler, smarter and better
